I bet Raenef just went for a walk.
Don't you think you're being a bit of a busybody, Eclipse? Maybe Raenef doesn't want you all up in his business.
You're acting like a mother hen.

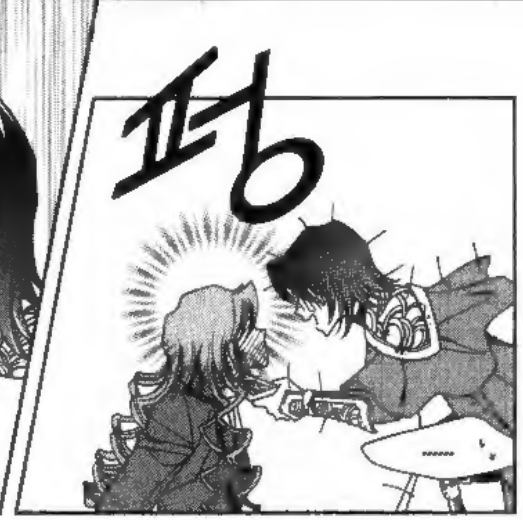
If you're looking for the kid, he took off early this morning.
Had a mad look in his eye, he did. Wandered off muttering to himself.

What? The least you could do is say hello, you know. I've gone to quite a lot of trouble to be here.
He's nuts!
My love, she is so cold-hearted... ~♪
띠리리.~♪
Your love?! Where did he get that from?

Master Krayon...
...what did you mean when you said that he had a 'mad look in his eye'?

I meant...
...that he looked like he'd lost his mind.

And you just let him wander off?
Huh?!!



II-b
.....

Enough, Erutis! I suppose I had better go find him.

I am going to pay a visit to some of the places I think Master Raenef might go.
No offense, but last time, weren't you looking for him in the West, while he was in the East?

.....
I'll search the East.
And I'll ask the clerics of Rasad to help.
You're going to ask clerics to help you find a demon lord?
Oh, fabulous. Why don't you paint a bull's-eye on his back while you're at it?
Ah ha!
But we're not looking for a demon lord, are we? We're looking for a 15-year-old boy with blonde hair.

It's not like you can identify a demon lord...
...just by looking at him!
You have a point.
Can't disagree
반박못함
.....
Yes...
Master Rasad once announced his identity in a den of clerics and not one believed him.
I'm not sure I am happy about that.
All right then, you take the East, Chris.
탁
She's cute when she's determined.
Some knights I know are taking care of some business in the West. So leave the West to me.
Knights have a really good intelligence network.

I might as well take the North too.
That leaves the rest to you, Eclipse.
It's all yours.
Like she's doing him a favor

Okay, we're outta here.
Hey, let's go before he changes his mind.
Who invited you, Master Creepo?
Aaand they're off!
Ah, how I suffer♡ for love!

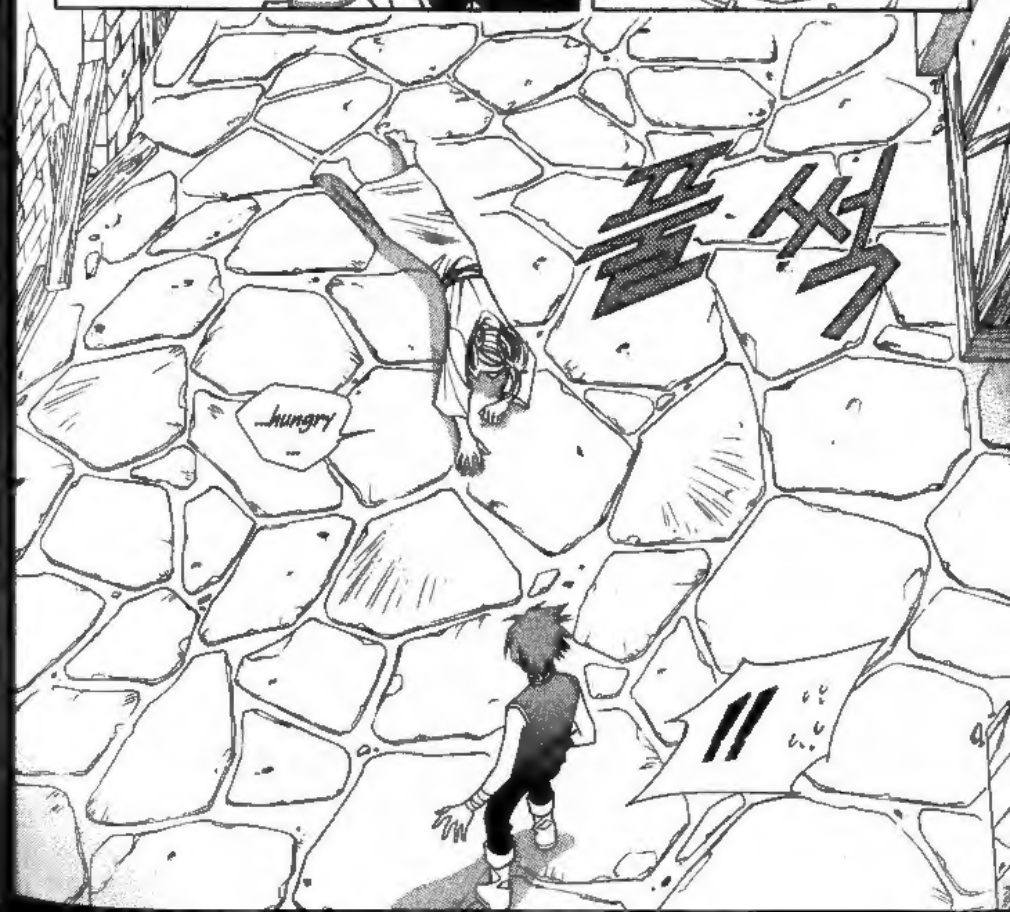
Where shall I begin? I do not know...
No! Not her!

Involuntarily yanks
Well then...
...to the South.

PULHEL, A CITY IN THE SOUTH.
The guards are coming!
Run!
Stupid idiots! I know this area like the back of my hand.
!

Hey...
you're...

I'm...



...hungry
...

Hey, everybody! Look!
Raenef's back!!
Raenef?!
?
Why is everyone making such a fuss?
Over little ol' me?

Raenef! Is that really you?
Where have you been all this time?
Uh?
Huh?

Here, water.

What? What do you mean "all this time"?

You've been gone a whole year!

I heard that you were captured by that black-haired demon.

Eh?

I heard he made you his love slave!

No!

I heard that you were kidnapped by a kingdom in the West, where the royals collect pretty blonde boys!

와사-

That's right, that's what I heard. But I also heard he mounted an uprising, freed the prisoners, and founded a nation of blonde boys!

What was the name of the nation again?

Is this a Thieves Guild or a gossip circle?

Hey, Raenef. Better say something.

Next thing you know, these guys are going to elect you their king!

A whole... year?

I've been gone a whole year?

This morning, I woke up in a strange place...

...a huge room that I had never seen before.

And I ...uh...
...I don't remember anything before that!
Heh heh.
What are you up to? You expect us to believe you can't remember the last year??
Uh... uh...
If you're holding out on us, so help me...

I really don't remember anything!
I woke up this morning and...
...I was in a strange place and all I could think was that I wanted to be here, so I came!!

I've never seen it in real life, but...
...it sounds to me like...

...you've got amnesia.
Eep!

시끌시끌
Wow— this is an expensive fabric.
It was a huge room...
Was it full of treasure?
He really hasn't changed.
He can still brighten a room, just like that.
But, there is something that's different.
A different...
...energy of some sort.

It's as though he's gained...
...more than a year's worth of wisdom...

Yes...

...I wonder exactly how he got it.
하하하!
Hey, watch where you're going--!

!
YAHHH!
.....
This is the first time I have come here since the incident.

It has been a long time.
Do you remember the first time we met?
What?
Do you know how many times we ran into each other that day?
No. Should I?
There's an old saying that when two people meet like we did, the strings of fate bind them together

If you run across the same person three times in one day, it's not coincidence...
...it's what you would call "destiny."
Destiny... yes.
I do not doubt for a moment...
Uh huh. You and I ran into each other three times that day. Coincidentally.
우헹헹!
Hee!
That's why I believe our meeting was destined.
Is that so?
That our futures...

...were destined to intersect.

샤샥

You had might as well...
...come out from behind that wall.

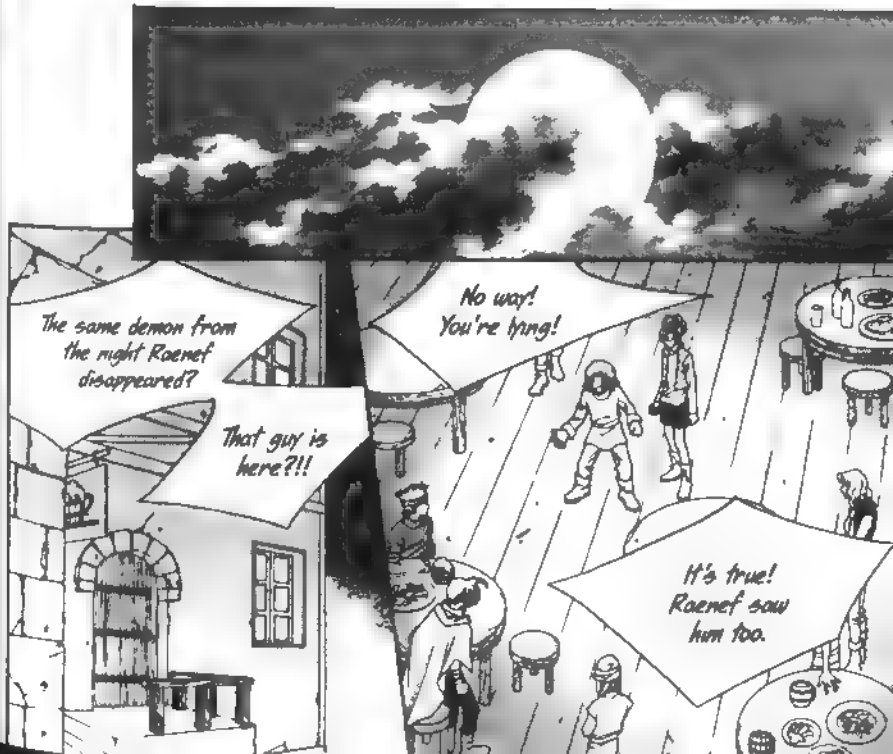
Ack-- the demon caught us!
It's that same black-haired monster from before!
What?

Master...
HELLLLLP!
SOMEBODY!
A demon!!

Master Raenef...?



The same demon from the night Raenef disappeared?
That guy is here?!!
No way! You're lying!
It's true! Raenef saw him too.

Raenef, it was the same guy, wasn't it?
Demon...?
What are you talking about?
You don't remember that night either?
The Thieves Guild was ambushed and he appeared out of nowhere.
He can kill a man with the blink of one eye.
.....
I don't remember anything.
.....!!

You were captured by the guards...
Then, he turned three guards into ice sculptures and...
He said it was his master's wish, or something...

He sounds awesome!
지이~
What? Are you daft?!!
This isn't a joke.
Who knows what this guy is up to? Your true friends...
Look, forget it. Just...
If you see him again, just run--
Huh?
Run, okay?
Okay.
Yeesh...
...I wish I could remember.
Ugh~~ Think, think, think
...We were running so fast, I didn't get a good look at him. He looked...
...handsome... ...he was tall and...
Handsome He was to and...
He had long hair, violet eyes, and an elegant face. Like...
...like you!

He looked just like YOU!
WAAAHHH!
Ma--

If you see him again, just run!

It's THE DEMON!! Somebody HELP!

Are you all right, Master Raenef?!
Waaa--
He knows my name!
Please don't eat me! Please don't eat me, Mr. Demon!!

Master Raenef. Please calm down. It is I, Eclipse.
Let go of my head!
There is nothing in there for you to eat!
Have you hurt your head?
Are you going to kill me?
Why would I do that?

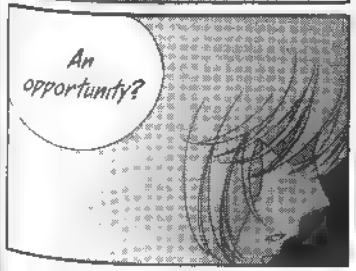
I was right.
Excuse me?
Everyone said you were a mean and scary demon, and... What was the other thing...?
Anyways, they said you were an evil demon, and a monster, but...
...I don't sense anything like that from you, Mister.
Mister_? I think I prefer "monster."
I don't feel like I'm with a monster... I feel...how shall I describe it?
It's as if I've come home.
I heard he made you his love slave!
Ack! I must be nuts! Bonkers! Like I came home..?!! Exactly what have I been doing this past year?
파파팟
?

The point is, you don't seem like a bad sort, Master
But everyone here is afraid of you, so—
It must be best if you moved on to another town
I'm gonna to run along now
Bye
It appears Master Reinef...
—is suffering from amnesia.
This is unprecedented.
I am uncertain how to proceed.

Eclipse... your intuition is keen.
You found him quickly.

What will you do now, Eclipse?

All we require is an opportunity.



An opportunity?

An opportunity to wake that child...something to wake him...

WILL YOU SHUT UP??
GAHH!
I'm trying to get some sleep.
Raenef? What's wrong?
Z
Raenef?
Must've been a nightmare.
.....
What's going on?
Huh?
Shh
What... what is it?

The guards'll get you if you go out there.
What's going on? Why are there so many guards?
What do you think?
They're trying to capture that demon.
What...?!

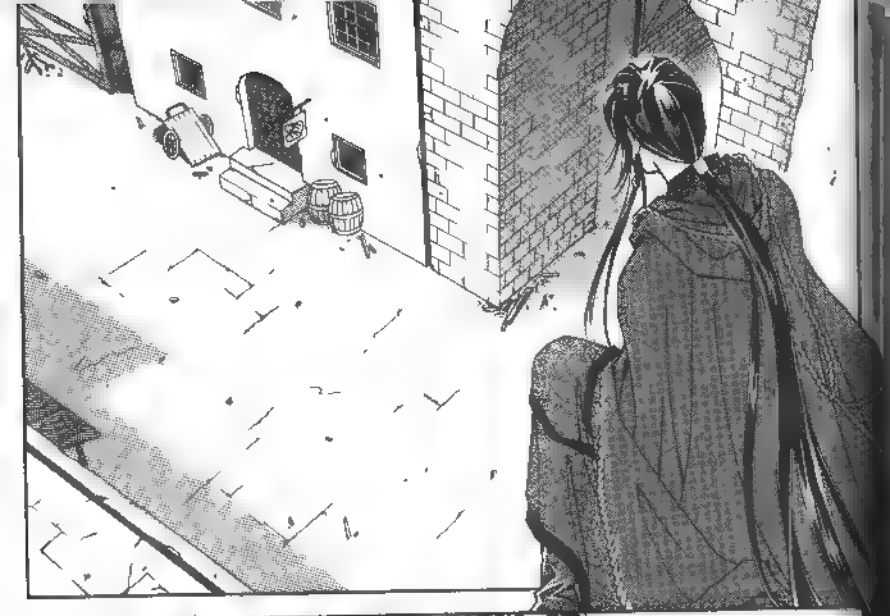
A bunch of people have seen him around town.
And yesterday, a Guild member saw him, too.
The townspeople are vowing to get him back for what he did last year!
!
...Master?

What's wrong, Raenef?
Are you okay?
I've heard that people can get amnesia from a head injury
Where does it hurt?
Do you want me to go get the others?
...Forget it...
흠칫
Huh... what?
What is this? This feeling of familiarity...?!!
That face...?

아긴!
Heh. I guess I was never meant to be much of a thinker.
Well, I've got something to take care of, so...
Where are you going?!
Be careful! Don't forget that you're a fugitive!!

...the hand of friendship extended toward me.
I don't remember much, just...
And...

...that face.

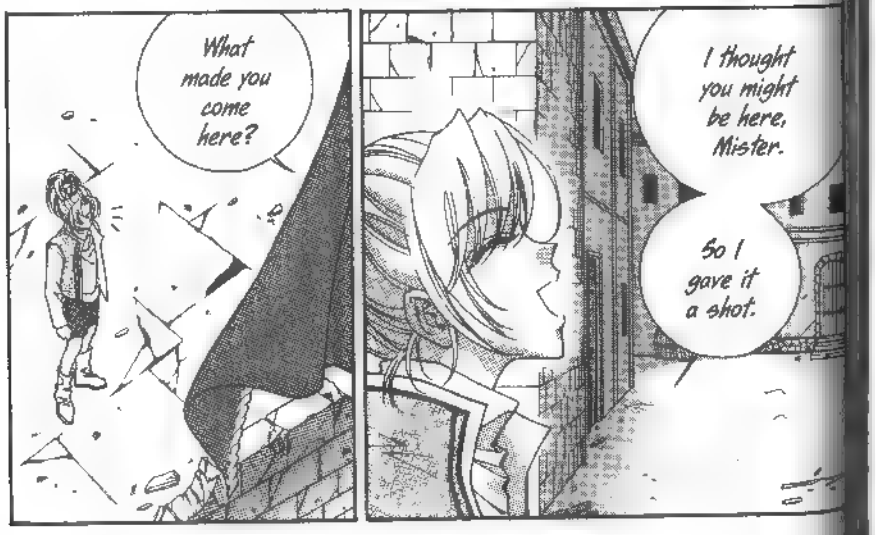


Ahh... what now, then?
A master with amnesia.

Perhaps I should hit him on the head...?
No, that's not terribly dignified, is it?
I could level this town, take him back and re-train him...

Are there only the two options?
Surely there is a better solution, Miss Story Writer?
Miss Story Writer
Er...don't look at me.
Yes, it was right here that we met for the third time that day. If I calculate today in hours, I have met Master Raenef twice already.
If I see him here again, it will be our third meeting in 24 hours. What are the odds?
Is this the spot...?
Ah ha! Just as I thought.

Gotcha.



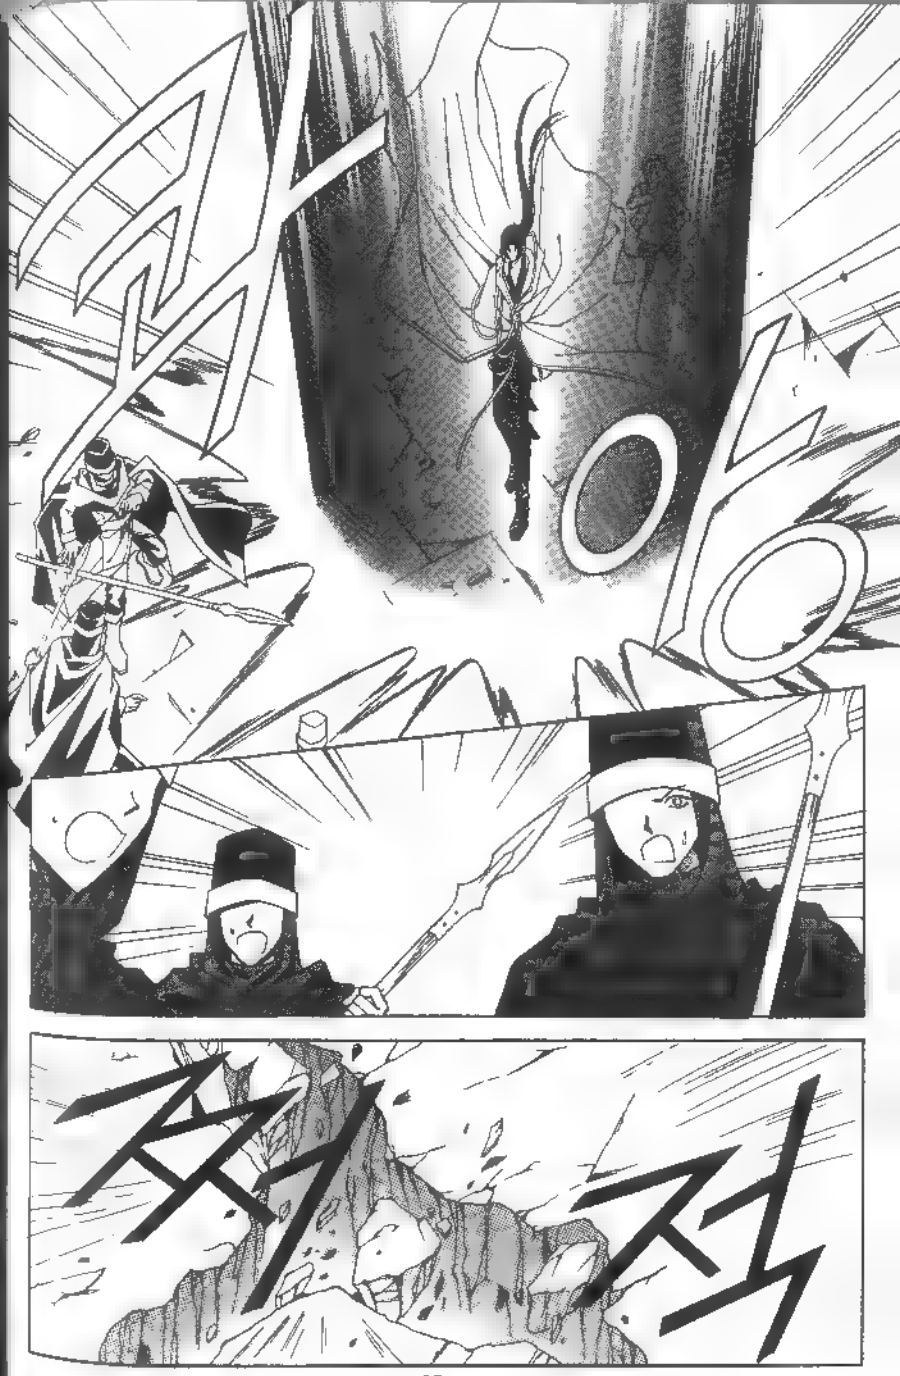
What made you come here?
I thought you might be here, Mister.
So I gave it a shot.

!
I wonder if he's subconsciously remembering things.
Why...do you seek me?
I have important news.
I almost forgot.

Why didn't you leave town like I told you to, Mister?
The townspeople are gunning for you...
...and the guards and clerics are coming this way, too.

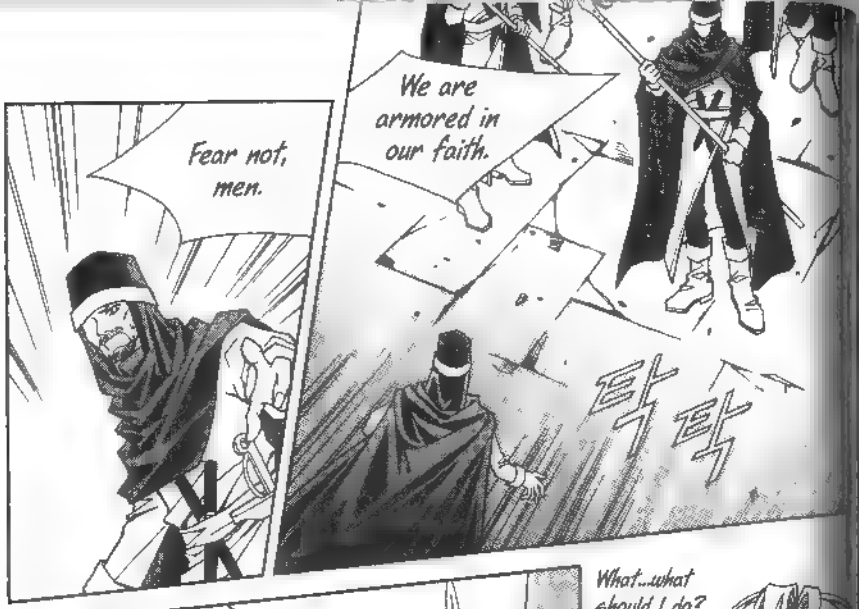
There he is!!
!!
Feel the judgment of God, Demon--
That's why I came, to tell you you're in danger...
Oh no!
Surely you jest.

Did you really think that I could be taken by a handful of penny-ante clerics?
Wuh--!
He's gone!
Where-- where did he go?

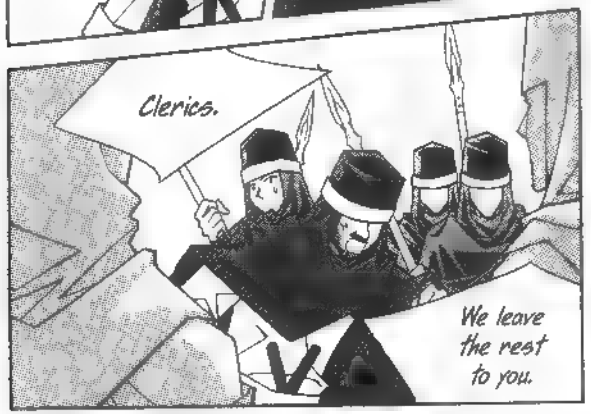


Whoooooaaa!
Earth--
EARTHQUAKE!!
Uaaagh--
help me!

How...
how can
this be?
...!!

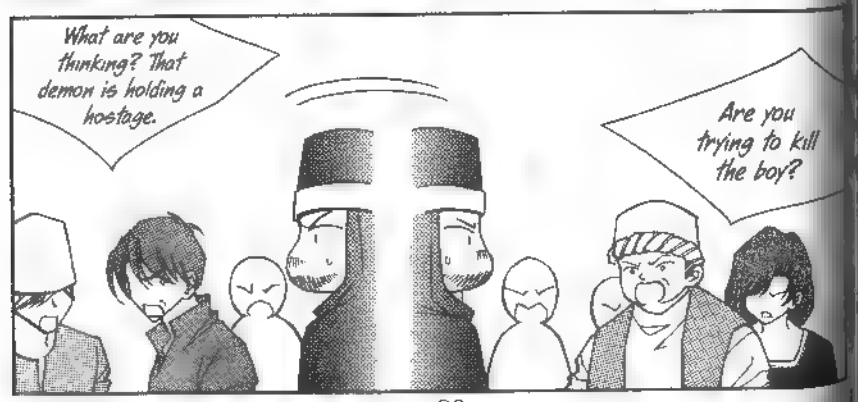


Fear not, men.
We are armored in our faith.
탁탁



Clerics.
We leave the rest to you.

What...what should I do? If this continues...



What are you thinking? That demon is holding a hostage.
Are you trying to kill the boy?

Of course not...

...but that boy is wanted in relation to the Thieves Guild.
He's hardly an innocent bystander!

Clerics, prepare to attack!
샤아

Attack!
Focus and attack!
You don't know when you're out of your league, do you?
!!
!!

Stand down...
...Eclipse!
!!
He has remembered my name...!!
My name.

As you wish.
!!
Eh?
Huh?
Urp--
I wish you had taken me with you, Eclipse!

Ah...!!
Scream of the Soul.
Soul Scream.

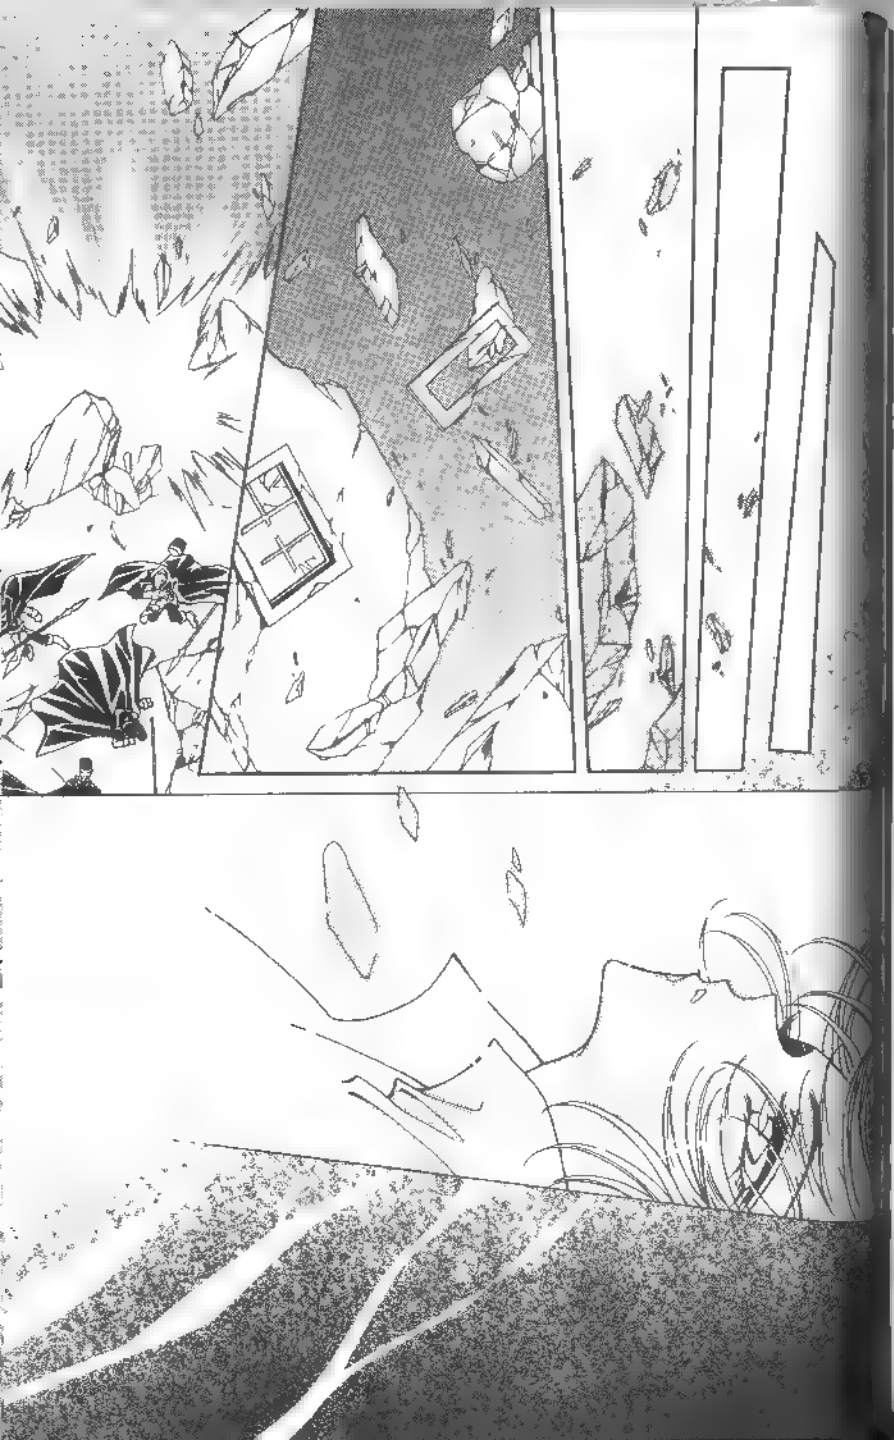
!!
How...how is that possible?! Such a young boy...!
...working the magic of a demon lord!!

Ch. 96



He wields magic. Magic that proves his identity as a demon lord.

For a moment, he regained his memory.

The time has come.
During my amnesic state, I gathered strength...
...the strength to absorb you completely.
Clever, aren't you? Absorption requires a great deal of power.
You've been gathering your reserves for this purpose?
Memories are connected to magic.
Sacrificing your memory would free up a tremendous amount of power. You sacrificed everything from the last year...
Even Eclipse...
So, you're ready for us now...?

Don't be afraid.
You and I were meant to live as one, our separation was unnatural.
Please...
Come back to me now...

You have gained strength and maturity.

As my memories began returning to me...
...I realized something.

You never meant to take over my corporeal form, did you?

If that had been your intention...
...you could have taken possession of me at any time.
During my amnesia, I felt your spirit whispering to my magic.
Whispering various incantations, instructions on how to use magic...
...and much, much more.
In truth, you were--

TO
It's time, my child...
...for we cannot exist separately much longer.
It is time that you return.
Your friend is calling.

Calling your name...
...Master Raenef.
It's over.
It's finally... over...
Master Raenef...

Master Raenef!
Did I act rashly...?
He had not fully recovered when I...
.....

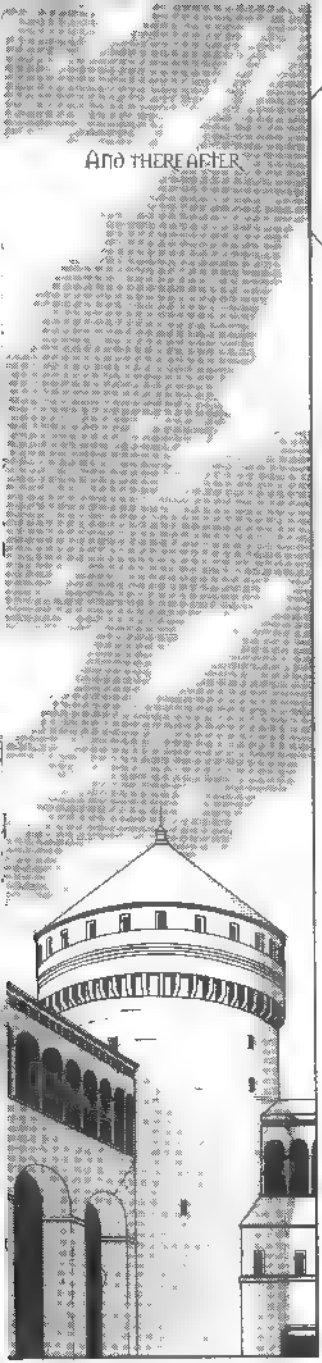
But...the magic that he used...
!!
Ughh...
!
I thought I was going to die.

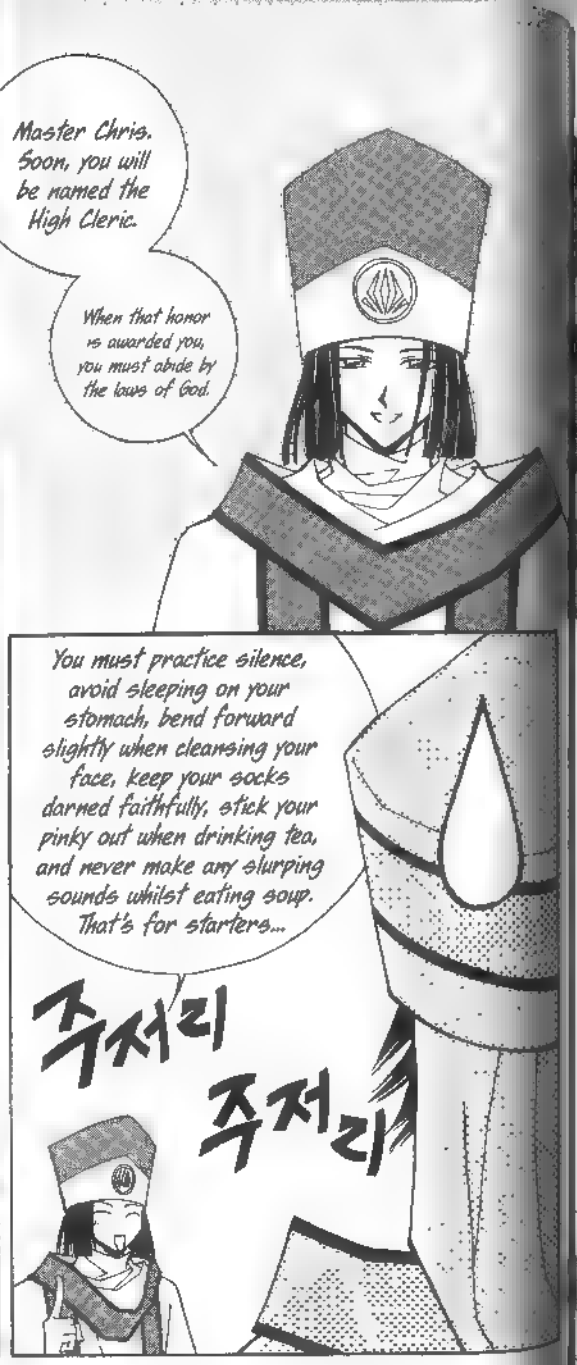
Are you injured?
Who...who are you?

Master Raenef...

The hand of friendship...
It's you, Eclipse.
You have regained your memory?
How could I have forgotten Eclipse...?
Everything...
A demon's promise is in his words...
Home now, Master Raenef?

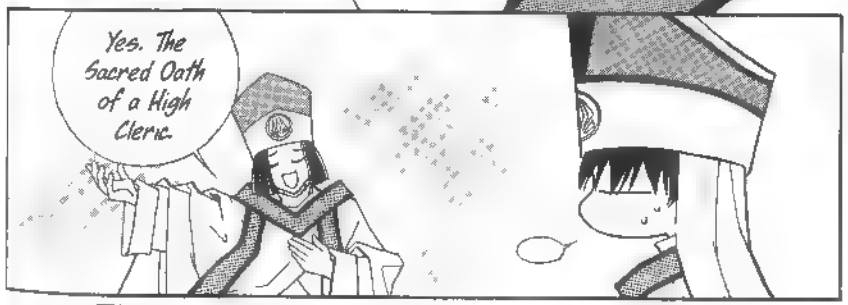
Eclipse will always be by my side
Eclipse, can you stay with me forever?
Because that is what he promised to do...
Let's go home, then.



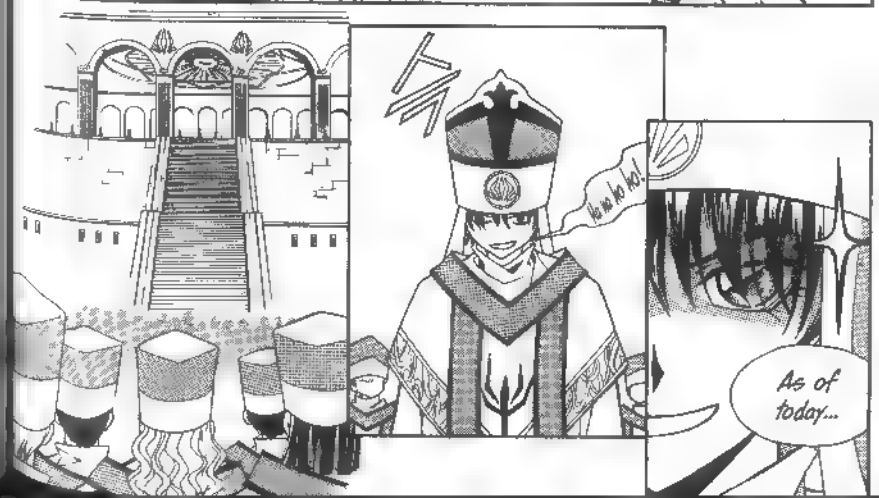


Master Chris. Soon, you will be named the High Cleric.
When that honor is awarded you, you must abide by the laws of God.
You must practice silence, avoid sleeping on your stomach, bend forward slightly when cleansing your face, keep your socks darned faithfully, stick your pinky out when drinking tea, and never make any slurping sounds whilst eating soup. That's for starters...
쥐저리 쥐저리

Those... are the laws of God?

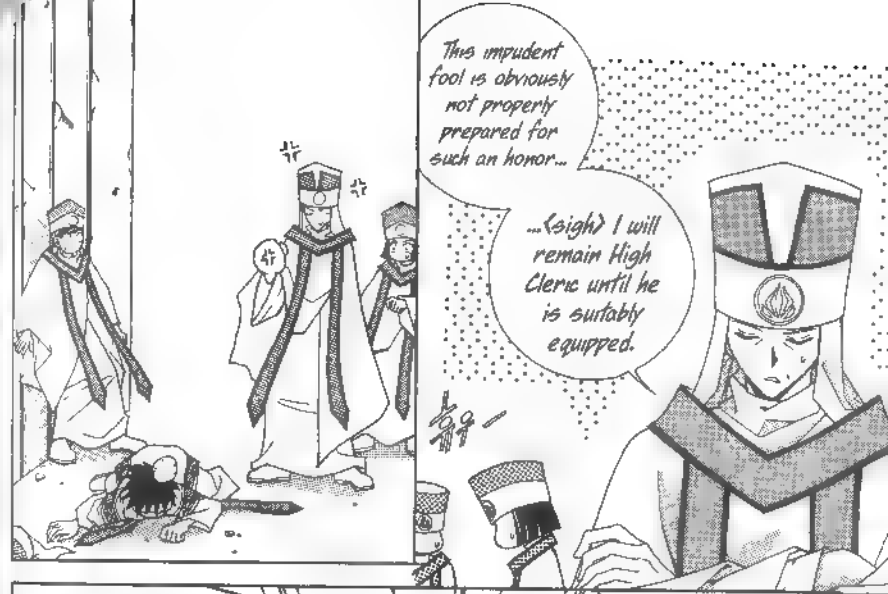


Yes. The Sacred Oath of a High Cleric.



As of today...

I reign, and my words are the word of God!!
As of this moment, I announce to all the temples of Rased...
...MY word is the new law!!
The only RULE is that I can do as I please!!
Wh-what?!!
That's preposterous!!
OFF



This impudent fool is obviously not properly prepared for such an honor...
...(sigh) I will remain High Cleric until he is suitably equipped.

Man--you can't give it to me and then take it back!!
That's not fair!!
Hush!! I am your master and I can do as I see fit!! One more word and I'll send you back to the demons!!

So, I guess I need more training, Raenef, if you ever have an heir, promise me you won't pass on your title and then yank it right back! Take care..

It sounds as though he'll be back. It bodes poorly for the Followers of Roses...
The High Curse merely postpones their demise.
I think he misses us!
Are you prophesying?
Anyways, I wonder if Erutis is doing well.

Love, you are a cruel, cruel mistress. TT TT
B-but he listens to you, boss.
No, he doesn't! He does whatever he feels like doing.
That's right. I take what I want and I do as I please.
Living as one pleases is the key to longevity.
And in all my many years, your heart is the first I have truly desired. It is what I want, so I shall seize it!

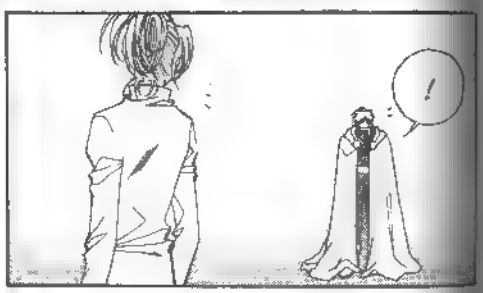
Master Raenef, the Conference of Demon Lords is about to begin.



!

I'll be right there.

Well, well, if it isn't the infamous Demon Lord Raenef.

You flatter me. But I'm not nearly as infamous as you, sir. Why, word of how you ALMOST held your own against three clerics has spread throughout the land...

What a waste. We rarely get a Swordmaster to apply.
Hm...

Happy? Why, I'm positively gay.
Just for that, I withdraw my threat to destroy this Knights' Guild.

HO HO HO

Many of the applicants are skilled...
...but...

...there isn't one among them who fits.
Many of them are not affiliated with Guilds because they didn't find communal life appealing or...
...they were denied membership for their violent streaks.
I wonder if I should just give up and leave the matter to the local Guild?
I had such high hopes...
CRRRAACKK!
Hurumph! What was it that you called me?
You want to say it again-- on your knees this time?
You...

You're...?!

You're... a Swordmaster!
What, a Swordmaster? Oh, great.
I quit. I'm out of here.
A Swordmaster?
She possesses good skills and the right look...
...I think fortune smiles upon us.

She'll... be perfect.
I'll leave everything to you, Roin.
Yes, sir.

Ehh?
So, the daughter of this house is a target for kidnappers?
Eh
Why, how dare they?!!
Another plate, please.
.....
Our lady, you see, rarely ventures outside of this house.
There is a good possibility that her potential captors have no idea what she looks like...

All you need to do is disguise yourself as the daughter of this house, and allow the criminals to kidnap you in her stead...
...then take your first opportunity to destroy them.
Disguise?!
Eh

.....
This...this is just stupid. How am I supposed to fight in this thing?
I'm not even sure I'll be able to walk!
I don't care how good a fighter she is...
...I don't like it.
It hurts my feelings that you chose a woman so plain to play me!
Why, just look at her hair!
What's wrong with my hair?!
Even thieves have eyes.
As soon as they see her, they'll know she's an imposter.
That's it! I'm not doing it!!

What's with you two...? I can hear you!
EK
Sir!!! It's another threatening letter!
It says they'll kidnap the lady this evening!
!!

I've heard that 'clothes make a person,' but this is extraordinary.
What's with this thing? It's like wearing chains...
And yet, you can't judge a book by its cover,' still holds true
Hey, Roin!
Once the thieves arrive, while I distract them, you're going to capture them, right?
If you betray me, I'm going to be very unhappy.
Don't worry. I have employed a battalion of experts to assist you.
Experts, my butt.
You hired a gang of thugs...
Eeeek!

Thieves!!
What?
Thieves are approaching the house!!
It's on!
Where are the guards?
What are they doing while thieves are approaching the house?!!!
Everyone, outside! Stop them!
헉 지 ㅇ
Yes, sir.
Is this the girl?

Who's there?!

AHO

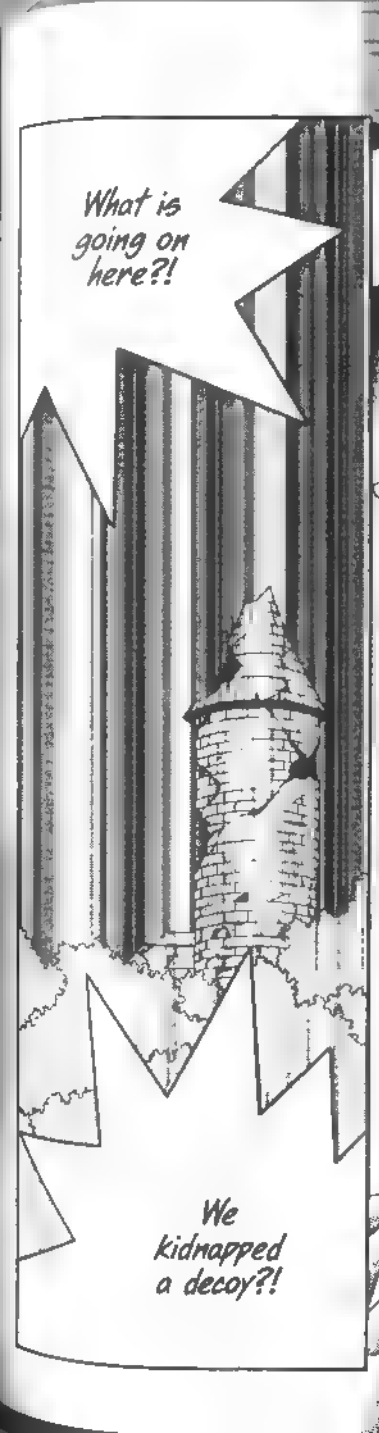
I thank you kindly, young lady!
It is proceeding just as we planned.
Her ransom is gonna make us filthy rich, huh?

That's right. This little lady is our bag of gold.
The only child of the richest man in the country.
Hee hee! Easy money.
Huh?
Heh...?



What is going on here?!
We kidnapped a decoy?!

Boss!!! It's a message from the Rajaert Family!!
It says--!!!

"We have relocated our family and, of course, the young lady you had hoped to kidnap is with us.
The girl in your possession is of no concern of us. Her fate is entirely up to you."
Bwah ha ha ha!

Erutis ripping the bindings from her hands
He said that he would send "experts" after me.

Look, you. We're the ones who should be upset, not you!
You tricked us!
What did you say?
You better watch your mouth! At least you can afford to eat.
Why me?!!! What did I do to deserve this?!

I went to a demon lord's castle to capture a demon lord and instead, I became his prisoner.
On top of which, Demon Lord Pervert wouldn't leave me alone!!!
I was bullied and mistreated by the demon lord's underling, and a stupid cleric disrespected me as a woman!!!
I finally escaped the castle only to find myself homeless and starving!!!
I was rejected!
I thought I'd caught a break when I answered the Knight Wanted ad...
...but even they betrayed me! What is wrong with meeeee?!!!!
헤헤
Hey... enough with the pity party, lady.
I guess today's your lucky day...

What... what's going on?!

The Rojaert house burned to the ground...

What?
That's right, burn.
Faithful adherence to a contract is a point of honor.
Breach of Contract cannot go unanswered.

Most especially when the contract in question is one with milady...
Liars lose their lives today. Liars lose their lives today.
K-K-Krayon?
What are YOU doing here?!
!
Erutis.
I have come to your rescue.
It is not necessary for you to thank me, or to sully yourself further with this matter.
I will handle this sort of thing for you from now on. Now...and forever.
What... what did you say...?
For... forever????

A...a demon lord?
That... that would mean this girl is...
...a demon lord's lover?
Mistress!!!
Mistress?!

If anything happens to this girl, then that demon lord is sure to take vengeance.
We kidnapped her! We're screwed!
We don't want to die, Mistress!!
Please forgive us!
We shall dedicate our lives to you!!!
Wh-wha- What...?!
Well, this is turning out better than I expected. Why don't you go ahead and accept their gracious offer of service, hm?
It certainly beats going from place to place seeking a Guild, simply to become someone else's servant.
Why don't you take these men on and establish your own Guild?

What the--?!! I'm having enough trouble trying to feed myself...how am I going to take care of all these men?
On top of which, I don't want to be called MISTRESS!
And YOU--!!
How did you know I was going from place to place seeking a Guild position?
Easy...
...I've been following you. I had brief chats with a few Guild Masters along the way.

It's downright embarrassing, you know, that a demon lord's woman should apply for work like a shopgirl.
You mean... in this province...
...and that province...
...and over there...
...and there... at every Guild. I was rejected because of you?

What if we helped him out?
Okay. Raenef, you clean the rooms.
I'll clean the hallway and the garden.
Erutis, you clean the kitchen and make dinner.
